

Good levels of English & Maths skills are important in all aspects of daily life; they are key to gaining a new job or promotion, improving skills, gaining a qualification or progressing to higher levels of learning.

- For Functional Skills they offer September and January intakes.
- For GCSE, classes begin in September and January.

**Isle of Wight
Council**

All of the Council's delivery approach is 'Individual Learning Plan' (ILP) led. This means that learners do not have to keep up with a group, they can learn at their own pace.

- Delivers Entry Levels plus Levels 1 & 2 qualifications and offers Functional Skills.
- Exams are held four times a year, so if the individual feels ready they can take the exam rather than having to wait until the end of the academic year to do so.
- All learners are screened for Dyslexia, Dyscalculia and Irlen syndrome and adjustments are implemented.
