LEARNING ENVIRONMENT PROFILE

General Information	28 bedded medical ward with a focus on patients with respiratory diseases
	and conditions.
Description of Service and Client Group	Clients: patients with chest drains, chest drain suction. Pathologies: CA lung,
	COPD, pneumonia, lung fibrosis. Also common to see patients with other
	problems such as diabetes, cardiovascular disease, renal disease. Patients
	with endocrine conditions.
Description of related services & Client	Patients will attend bronchoscopies, gastroscopies, CT-guided and ultrasound-
group	guided biopsies and pleural taps. Work closely with lung cancer clinical nurse
	specialists and palliative care clinical nurse specialists.

LEARNER INFORMATION

Work Patterns	0730-1530hrs, 0730-2000hrs, 1230-2000hrs, 1930-0800hrs		
Dress Code	IOW NHS Trust dress code policy		
	https://www.iow.nhs.uk/Downloads/Policies/Dress%20Code%20and%20Uniform%20policy%20.pdf		
	Staff and students must change out of uniform when travelling to and from work and are advised to		
	use the Trust Auto valet.		
Induction/Orientation	Organisational induction by the Clinical Education Team followed by local induction within clinical		
programme	area.		
Staff / rest room	Staff room available, canteen nearby, microwave and kettle available.		
facilities			
Expectations during	Students are expected to demonstrate a high level of professionalism at all times and are to engage		
placement	fully in the work of the ward, acting as an ambassador for their chosen profession and the IOW NHS		
	Trust values. This includes treating colleagues, patients and their relatives with respect and dignity.		

All relevant policies and procedures relevant to the learning environment can be accessed via the Intranet

We want students to feel that they are part of a team. Students should be aware of their own limitations, and are to seek support and advice, reporting any changes in patient's condition to a
senior nurse. We want you to learn and enjoy the placement.

LEARNING OPPORTUNITIES & RESOURCES

Recommended reading/Websites	Anatomy and physiology of the respiratory system
	British Thoracic Society (BTS) guidelines, NICE, SIGN guidelines
Common Abbreviations	A student pack is available and common abbreviations are found in the pack
