HEI Representative		Ashley Neave (UoP ODP), Gemma Cherry (OU), Tom Simons (Solent) Helen Shaw, (UoD)				
HEI's using this Learning Environment		University of Southampton, University of Portsmouth, Open University, Solent University, University of Winchester, University of Cumbria				
Learning Environment Mission Statement		We are a multi-Disciplinary team of Theatre Practitioners & support workers whose approach to care is individualised and holistic, promoting each patients right to privacy, dignity and confidentiality at all times. We work as a team and endeavour to uphold high standards of evidence based practice at all times, in accordance with the professional codes of conduct from the NMC and HCPC. We recognise that education and lifelong learning has an underpinning role in providing high standards and best practice, and we aim to share, support and encourage learning in a multiprofessional team, sharing time and resources through teaching and mentoring.				

### LEARNING ENVIRONMENT PROFILE

General Information	Theatres page on sharepoint <a href="#">Theatres - Introduction (sharepoint.com)</a>
Description of Service and Client Group	6 theatres (4 Main, 2 Day Surgery) plus maternity theatre and eye care centre, across two departments within the same building providing elective and emergency general abdominal, head and neck, breast, urology, gynaecological, orthopaedics (inc. trauma), ENT, maxillofacial and ophthalmology surgery under general and local anaesthesia, for adults and paediatric patients (limited provision). Post-Anaesthetic Care Unit (PACU) in main and Day surgery units. Elective and emergency obstetric surgery and procedures. Adult & Paediatric emergency care and resuscitation as required.
